

RZUT PODDASZA

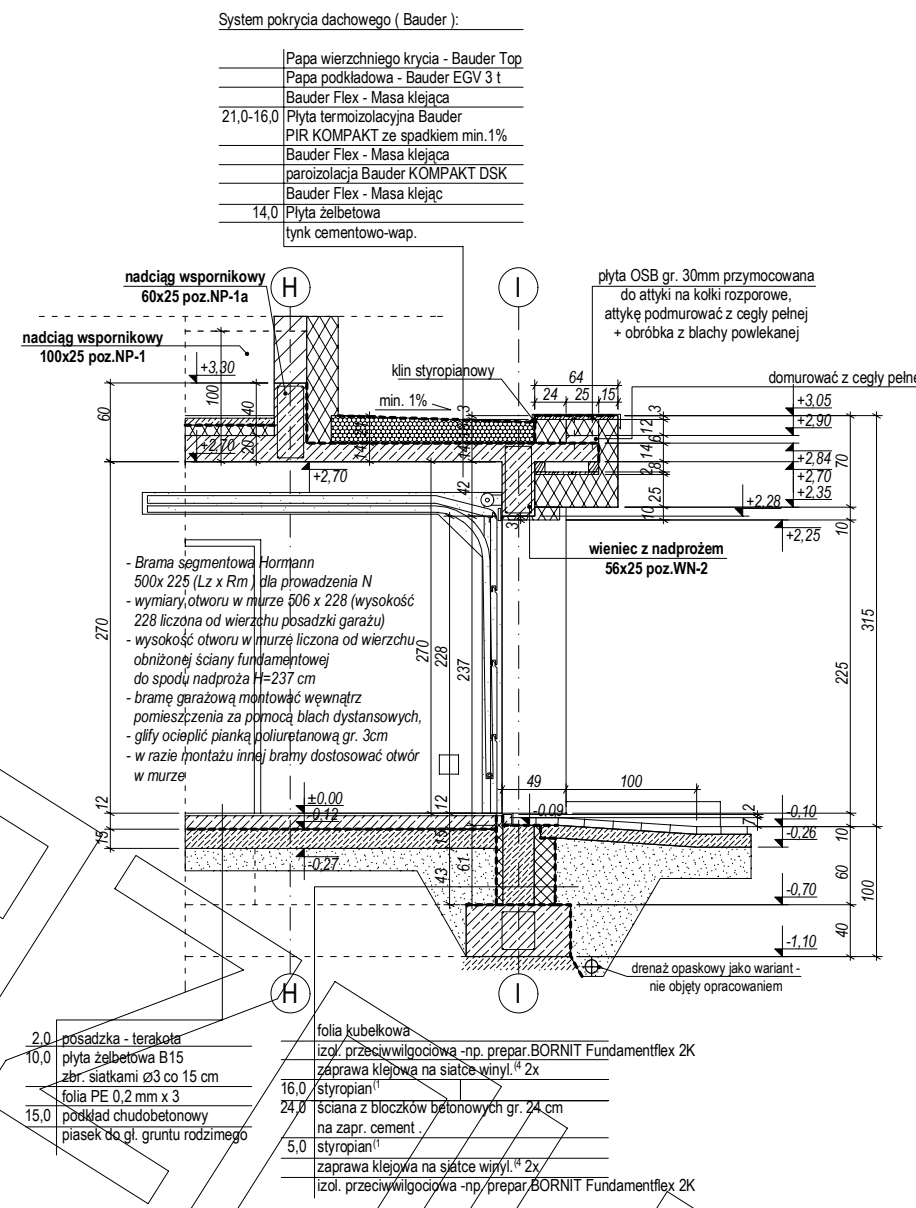

PRZEKRÓJ B - B

PRZEKRÓJ A2 - A2

Architectural drawing of the front elevation of a house. The drawing shows a two-story building with a gabled roof. The roof is covered with tiles and has a chimney on the left side. The ground floor features a large window on the left, a central entrance door, and a smaller window on the right. The first floor has a large window on the left and a smaller window on the right. The drawing includes various elevation markers and material specifications.

Key features and specifications:

- Roof:** Gabled roof with tiles. Slopes are indicated as 35°/70.02%.
- Chimney:** Located on the left side of the roof.
- Ground Floor:**
 - Left: Large window.
 - Center: Entrance door.
 - Right: Smaller window.
- First Floor:**
 - Left: Large window.
 - Right: Smaller window.
- Material Specifications:**
 - Roof: dachówka/blachodachówka w kolorze grafitowym
 - Decking: deski drewniane w naturalnym kolorze
 - Ground Floor Walls: płyty elewacyjne włókno-cementowe w kolorze szarym lub tynk cienkowarstwowy w kolorze szarym
 - First Floor Walls: tynk cienkowarstwowy w kolorze białym
- Elevation Markers:**
 - ±8.67
 - +4.77
 - +4.65
 - +4.42 barierka h=100 cm
 - +3.05
 - +2.25
 - +2.35

Architectural drawing of the side elevation of a house. The drawing shows the roof structure with rafters and a tiled roof. The walls are made of light-colored plaster or thin concrete slabs. The roof is covered with dark tiles. The drawing includes various annotations such as "dachówka/łachodachówka w kolorze grafitowym" (roof tile/slate in graphite color), "deski drewniane w naturalnym kolorze" (wooden planks in natural color), and "barierka h=100 cm" (guardrail h=100 cm). The drawing also shows the ground level and the foundation. The drawing is a technical drawing with dimensions and annotations.
