

RZUT PARTERU

The architectural floor plan depicts a multi-unit residential building. The layout is organized around a central corridor (korytarz) that provides access to various apartment units. Each unit is equipped with a living room (pokój), a kitchen (kuchnia), a bathroom (łazienka), and a bedroom (sypialnia). The plan also includes common areas such as a laundry room (pralnia) and a storage room (magazyn). The drawing is highly detailed, showing room dimensions, furniture placement, and structural elements. A large diagonal watermark reading 'KORYTARZ' is overlaid on the plan.
